### Client Satisfaction Survey

A Client Satisfaction Survey was sent via email to 2,745 clients. The results of the survey are very positive. The results indicate that we are doing an excellent job and that our clients overall are very satisfied.

Here are just a few comments that were received:

- It was excellent. There were plenty of helpful workers. The volunteers were kind, helpful and very loving. Have nothing but good to say for all the hard work and people who put this on every year.
- I've seen a lot of people working hard and I imagine how hard it is to organize everything. So just thanks, God bless you guys, awesome work. Next time I would like to volunteer.
- Everything was great. The whole process went smooth and was enjoyable. Thankful for amazing organizations like this.
- It was a great experience. I felt very comfortable and everyone was so friendly and helpful. I appreciated it more than I can even express, especially as a single parent to four young kids. Thank you for having such a wonderful program to help people struggling like me.

### Festival of Trees Planning Team

We are currently looking for one or more volunteers to join the Festival of Trees team. Festival of Trees is a silent auction of uniquely decorated trees and wreaths held in conjunction with the Holiday Boutique at Overland Park Convention Center, November 15-18, 2018.

For more information about this and other volunteer opportunities with JCCB, [please contact us.](#)

### Storage Needed

We appreciate the donation of storage space from Fry-Wagner, Lakeview Village and Meritex.

We need one more storage location that volunteers can access on a regular basis. The ideal storage solution would be at least 1,000 square feet, have a loading dock, be located in Johnson County or close and be climate-controlled. The ability for our departments to have access to drop-off merchandise and sort on-site would also be ideal. The space does not need to be a storage facility - even an unused portion of a building or empty warehouse would work.

If you have ideas, [please let us know.](#)

Plans are underway to help over 12,000 low-income neighbors in 2018. To accomplish this goal, we need your support. We are a volunteer-driven, grass-roots charity. No government support is received. We rely on support from the community - from neighbors such as yourself.
