

JOHNSON COUNTY
CHRISTMAS BUREAU

**Spring Cleaning Coat Drive
March 28 - April 11**

Even though temperatures are beginning to warm up, JCCB is working to make sure that our clients are given the warmth they'll need next winter. Imagine sending your child outdoors to play or to school without a winter coat. That is the choice many of our Johnson County neighbors will face next winter.

As you empty your closets for spring cleaning, **please consider donating any gently used coats to JCCB** so that we can distribute them next winter to our low-income neighbors. If you have any questions, or would like to run a coat drive, please contact us at 913 341 4342 or at admin@jccb.org. Thank you for helping us help our low-income neighbors.

Events in Support of JCCB

JCYM is one of our largest grantors and a valuable partner in volunteers and in-kind donations.

You can support JCCB by supporting JCYM. For more information and to purchase tickets, visit jcym.net.

Olathe Mayor's Christmas Tree Fund

JCCB President Doug Boyd (right) accepts a grant from the Olathe Mayor's Christmas Tree Fund.

Thanks to the generosity of community donors, JCCB received a generous grant from the Olathe Mayor's Christmas Tree Fund. Thank you! This grant goes a long way to furthering our mission of providing warmth and support to low-income Johnson County children during the winter holiday season.

The Olathe Chamber of Commerce is organizing the 17th Annual Garmin

Marathon and Expo April 11 - 13, and the charity of choice is once again the Mayor's Christmas Tree Fund. The Garmin Marathon has provided over \$80,000 for Mayor's Christmas Tree Fund beneficiaries and other local charities since 2003.

Our Garmin Marathon friends could really use our help this year, and we'd like to make you aware of opportunities to participate in this great community event. Race Director Bubba Gaeddert shares they would love your support with volunteers serving at the Expo at the Ball Conference Center on April 11 & 12 during the day and night as well support on race morning at Garmin HQ in Olathe on April 13 as course monitors or assisting with handing out medals, water, and food.
